Remarks

Beautiful new home in the heart of Southside. This brand new 4/2 with fabulous open-concept floor plan will wow you the moment you enter the door. Enormous 5x8 quartz kitchen island will please everyone as it's more than fit for a quiet dinner night in or a feast-loving crowd about to head over! Gorgeous, upgrades and finishes throughout and best of all this home sits on a large, canopied lot and comes with a deep well and new septic system keeping your utilities low!! Interior photos are not of this exact home, but of same house plan, just different finishes for listing and example purposes
